

## RFQ: Purchase of High Performance Server

| Sr.No | Description                   | Specification  |                           |
|-------|-------------------------------|--|---------------------------|
| 1.    | General Server Specifications | Make/Model   | To be Specified by bidder |
|       |                               | Architecture   | Intel Based Architecture. |
|       |                               | Form Factor  | Rack Mountable 2U Server. |
| 2.    | Processor                     | Two Intel R Xeon processors E5 2697 V4                             |                           |
| 3.    | Memory                        | 192 GB DDR4(6x32GB ECC DIMM)                                       |                           |
| 4.    | HDD Type                      | Enterprise SAS 2.5" 1.2TB 10K rpm Hard Drive- Hot Plug             |                           |
|       | No. of HDDs                   | 14   |                           |
| 5.    | RAID Controller               | Hardware RAID controller for RAID level 0,1,0+1,5,6 with 1GB Cache |                           |
| 6.    | Network Interfaces            | 4x1Gbs   |                           |
| 7.    | Server Management             | Built in Remote KVM feature  |                           |
| 8.    | USB Ports                     | Must have 2X (USB3.0) and 2x( USB 2.0)                             |                           |
| 9.    | Power Supply                  | Redundant power supply   |                           |
| 10.   | Optical drive                 | DVD R+W  |                           |
| 11.   | Slide Kit                     | Enterprise Slide Kits  |                           |
| 12.   | Limited Warranty              | 3 Year Customer replaceable unit                                   |                           |

### Terms & Conditions for the Vendor.

- Manufacturer Authorization Letter.
- Equaling Installation minimum 3 projects.
- Relationship with principal for last 5 years.
- ISO 9000 Certificate.
- Provide the List of Engineers for the project.
- All bids in the form of pay order/Bank draft, accompanied by earnest money @ 2% of total bid value.
- Sealed Tenders should be reached at the below mentioned address:

**General Manager (Technical)**

CIS Technology Park Building, Shahrah-e- Jamhuriat  
Sector G-5/2, Islamabad.

Tel No. 051-9212396, UAN No. 111-700-800, Ext 618
