

Recommendation for Muhammad Enam Ur Rehman

"Enam is an experienced and highly competent ITIL trainer. Experiences gained through his career and through regular consultancy work allow him to deliver training which is brilliantly illustrated with real life examples. Enam delivers courses with energy and enthusiasm and manages to captivate the interest of delegates from a variety of backgrounds. I would have no hesitation in recommending Enam for future service management training or consultancy."

Azeem Ur Rehman
Head of IT division
Alkaram Textiles Pvt Ltd.

"At the position of Manager Operations at Bank AL Habib Limited, I decided to have the PMP & ITIL certification. For the said certification my colleague Mr. Yasir referred me to an institution offering Training, he also mentioned a teacher Mr. Enam as an outstanding in his field. I also found Mr. Enam as an excellent human and instructor."

"During the course I found Mr. Enam very friendly who delivered all the knowledge to me in a very friendly environment and I am happy with his knowledge about Project and Service Management. His real Life examples makes very easy to get certified..I honoured to recommend him as consultant trainer and implementer"

Syed Asim Hussaini
Manager Operations
Bankalhabib Pakistan.
email:asim.hussaini@bankalhabib.com

"Enam is an excellent Service Management Practitioner with years of relevant experience in both service management and governance. His knowledge of both the ITIL framework and the ISO/IEC20000 standard enable him to provide clients with a truly focussed approach to implementation of good practice."

"Enam is an innovative trainer and his courses are always very well received by our employees. As a consultant, Enam is extremely supportive and has a real drive and enthusiasm for any company. His dedication to customer focus ensures that all our clients receive a high standard of training or consultancy to meet their needs. I have no hesitation in recommending Enam and his work to any organisation"

Zulfiqar Habib
